BOYD PUSHES FOR GREATER FISCAL RESPONSIBILITY IN IRAQ

New CBO report puts costs of war at staggering \$2.4 trillion

WASHINGTON, D.C.—In the wake of reports from the nonpartisan Congressional Budget Office (CBO)

The War Funding Accountability Act also requires the Administration to provide a detailed accounting of

“The need for increased fiscal oversight and accountability in Iraq is clear,” said Congressman Boyd, a le

To date, more than \$600 billion has been provided for the wars in Iraq and Afghanistan, \$450 billion for l

Today, the Director of the CBO, Dr. Peter Orszag, testified before the House Budget Committee that the

“These are staggering sums by any standard of measurement,” Boyd stated. “Our country is making a r
